

YOUR BUSINESS

Growth Plan

2025

You are an established business, looking to build new branches of revenue or customers

Over the next 3 months, we will support you through;

Getting to Know Your Business Roots

A discussion about your business, your motivations and your goals. Ideally this would include visiting your business, and an opportunity to meet staff and customers.

2-3 hours, dependent on your availability.

Planning for Growth Workshop

A facilitated half day workshop with the teams in charge of delivering growth, to agree a plan and strategy and mediate challenges.

Half Day Session delivered on site

Personal Growth Coaching Sessions

6x hourly coaching sessions centred around personal growth, individual resilience and managing change.

Your Growth and Strength Plan

A clear and deliverable growth strategy which brings together elements of strategic leadership and deliverable actions from the team workshop.

Optional Team Delivery Workshop or Slide Deck Presentation

Update and Support Meetings

Pre-scheduled meetings with the relevant teams or managers to measure success of the Growth and Strength Plan with update reports delivered to you.

Email and Call Support for 90 days

As your business evolves, new opportunities and challenges start to appear

The Growth Plan is designed to help you navigate these moments with clarity, strategy, and confidence.

Through a blend of workshops, coaching sessions, and progress check-ins, we'll create a tailored roadmap that helps you expand sustainably, strengthen your foundations, and keep momentum as you grow.

With three months of priority support, you'll have a trusted partner to lean on — someone who keeps you or your teams accountable, encourages fresh thinking, and ensures your business is equipped to move forward with purpose.

If you're ready to branch out and see your hard work flourish, let's explore how the Growth Plan can work for you.
